Dear Colleague,

Greetings! I hope that you and your students have had a great fall semester. Here at the University of Louisville, just as at your school, it's been a busy semester as our marching band, wind ensemble, symphonic band, and community band have all been in full swing.

As we look forward to next semester, I would like to invite you to nominate your outstanding students to participate in one of our favorite events, the 20th Annual University of Louisville Invitational Honor Band. Enclosed is a nomination form that needs to be returned via mail, email (k.mcmonigle@louisville.edu) or fax (502) 852-0520 by **Tuesday, November 1st**. You may also nominate your students online at:

<http://uoflbands.com/special-events/invitational-honor-band/>

Letters from our Band Office will then be sent to selected students from your nomination list. Included with their letter will be an explanation and further details about the event, a registration form, hotel options, and final schedule.

During the two day event, students will be responsible for their own transportation to and from campus. Staying overnight in a hotel is not a requirement, if commuting to and from UofL is preferred. The registration fee for this event is \$35, which includes a 2016 Invitational Honor Band t-shirt. CDs of the performances can be ordered at the time of the concert.

The event will take place on **Friday, January 27th and Saturday, January 28th**. Our final event will feature a 7:00 p.m. performance of the Honor Bands in the Comstock Concert Hall at the School of Music. As in the past, we plan to have three fine honor bands! I, along with my colleagues, will rehearse and conduct the honor groups while some of our instrumental faculty will be on hand for sectional work.

We've become accustomed to having an excellent group of high school musicians as participants in this event and thank you in advance for your support. All of us on the University of Louisville band staff look forward to working with you and your student musicians!

Very truly yours,

Frederick Speck, D.M.A.
